1.2 ONBOARDING MODULE

- a) Incorporation of Personnel
- Add Human Resource if applicable depending on the position:

1.2 ONBOARDING MODULE

- a) Incorporation of Personnel
- Fill in the salary that the new hire will receive in the compensation section and click to send or continue.

1.2 ONBOARDING MODULE

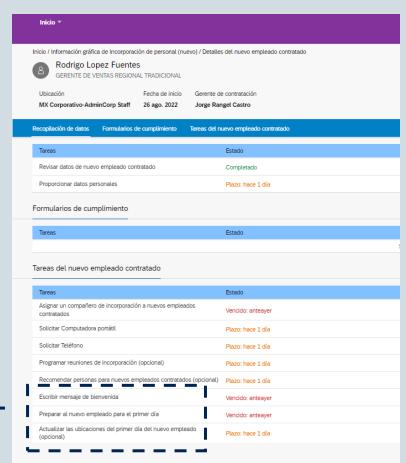

b) Onboarding Tasks

Now you need to assign the tasks corresponding to the Onboarding:

- Write the welcoming message.
- Prepare the employee for the first day of work.
- Update the new employee's locations on the first day.

For this point, the route is:

SSFF- Start button-Incorporation of Personnel-New Employee's Tasks- Start

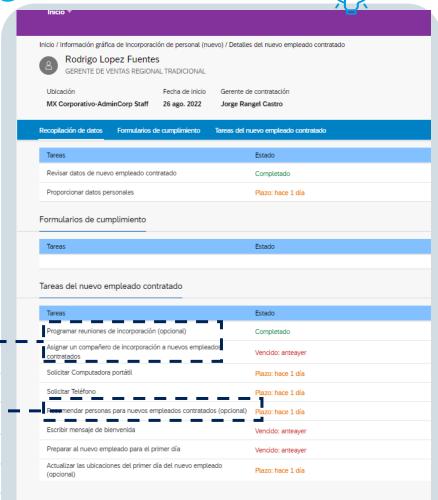

1.2 ONBOARDING MODULE

b) Onboarding Tasks

After carrying out your tasks, you must make sure that the leader of the poisition to be filled in has already carried out his/her tasks:

- Assign an incorporation colleague to the new hires.
- Program incorporation meetings (optional).
- Recommend people for new employees hired. If the leader hasn't carried out the tasks, you will have the option to send an alert indicating that there are tasks still pending.

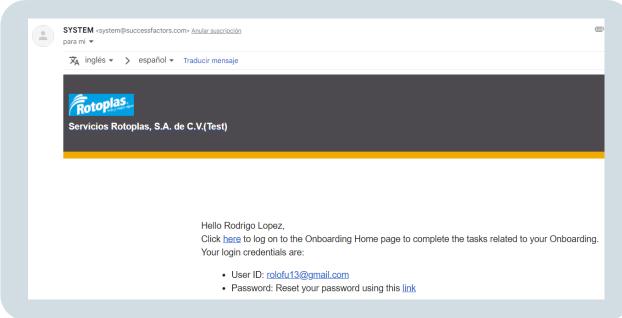

1.2 ONBOARDING MODULE

c) Validation of e-mail and tasks - New hires

You should validate that your new hire has received the welcoming e-mail with the instructions and manual to be able to incorporate his/her information, and for this we suggest:

- Make a telephone call to corroborate that the information is clear.
- Program a session if necessary to clarify any doubts.

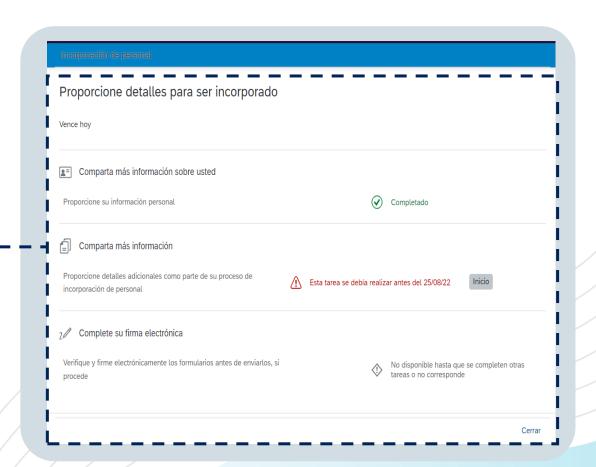

1.2 ONBOARDING MODULE

c) Validation of e-mail and tasks - New hires

After corroborating that your new hire carried out the mandatory tasks: -

- Incorporate information
- Additional information
- Signing of the hiring kit.

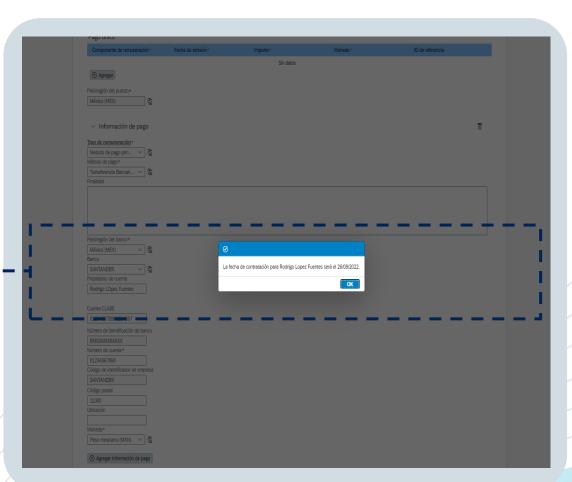

1.3. EMPLOYEED CENTRAL

a) Managing pending hires

After the new hire has finished his/her tasks, you will have to validate the fields, and add the following information:

- Compensation
- Bank data

After you finish, a message will appear confirming the date of entry.

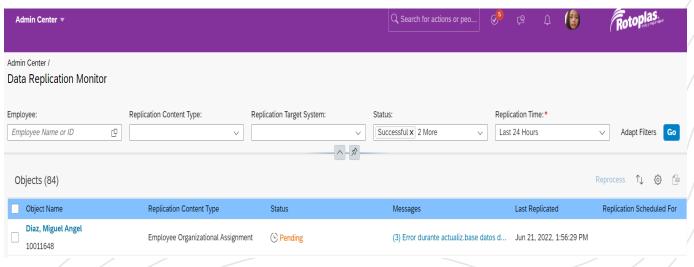

1.3. EMPLOYEED CENTRAL

b) Replication monitor

- Write the employee name or number for the collaborator that you registered
- Select the three status of the process:
 - > Correct
 - > In process
 - > Failed
- The status in which your new hire appears is correct, this will ensure that it replicates correctly.

Remember to update the replication every 5 minutes.
